February 2017

Dear Friend:

PS 158 is a vibrant public school on the Upper East Side of Manhattan with 800 students, pre-K to 5th grade. To help offset DOE budget cuts, this school maintains its standard of excellence with the ongoing support of the community and the active support of the parent body. The PS 158 Parents' Association has kicked off this year's live fundraising event, *Alice in Auction Land*, which takes place March 25th.

We are asking for your generosity and support by providing products, services or monetary donations. By making a tax-deductible donation, you will gain valuable exposure at our auction event. Your business or service will be publicized in all auction materials.

Contribution deadline to be included in all auction materials is March 9th.

Last year's live benefit was attended by nearly 400 local parents, community supporters, political leaders and school educators. We also hold a post event online auction. Online auction shoppers include both local residents and participants from across the country.

Funds raised at this event will support a wide range of programs including arts & cultural enrichment programs, recess sports program and coaches, books and technology for the classroom, kindergarten assistant teachers, and teacher training and development. Your support will make a real difference to our students!

Please return the enclosed donation form by **email to 158donations@gmail.com**, or by mail to:
